With over 600,000 square feet of warehousing that is operational 24hrs a day, you can be confident that all your every day needs will be met. We have over 32,000 products in stock at any one time.

Our buying team have direct relationships with all the top manufacturers, which means we buy well and we pass on these benefits to our customers.

## Testimonials

### *Beating our competition on price*

*"An institution based in the North West recently switched from another leading stationery company to Banner and when benchmarked against their existing basket buying one of each item, Banner were found to be in excess of 55% lower on price!"*

### *We make it easy to buy stationery supplies*

*"We have found the transition of our stationery orders to Banner very easy. Yourself and the team from Banner have gone out of their way to make it an easy process for us especially as we like to have things done in a slightly different way! You have easily facilitated all our requests regarding deliveries and Invoicing. We are very pleased with the next day deliveries and look forward to receiving consolidated invoices this month."*
